1. Confirming our telephone conversation of this morning, I have just received additional instructions from [REDACTED] regarding our contribution to the subject report. In addition to the information requested in my memorandum of yesterday, we have also been asked "to include a section on the status of ELINT and Special Intelligence, and comments on these two fields are solicited from those Offices which feel that they have an interest in them."

2. I would like to have you coordinate this with the two areas and touch base with any of the staffs which might have an interest. If you have any questions, I suggest that you contact [REDACTED] directly (extension 3249).

3. As you know from my communication of yesterday, contributions to this report are due in my office by noon, 7 April.
